

Yellow warning
Rain

Between
17:00 Sun 10 Dec 2023 and
03:00 Mon 11 Dec 2023

Further heavy rain bringing some flooding and disruption to transport.

What to expect

- Flooding of a few homes and businesses is possible
- Bus and train services probably affected with journey times taking longer
- Spray and flooding on roads probably making journey times longer

Further details

After a brief lull once morning rain clears from west to east across the area, further heavy rain or showers will develop Sunday evening, before clearing during the early hours of Monday.

Many parts will see 15-20 mm, with the wettest spots seeing 30-40 mm. Given very wet ground, some impacts are likely.

What should I do?

 Medium likelihood of low impacts

Further Details (continued)

Give yourself the best chance of avoiding delays by checking road conditions if driving, or bus and train timetables, amending your travel plans if necessary.

Check if your property could be at risk of flooding. If so, consider preparing a flood plan and an emergency flood kit.

Be prepared for weather warnings to change quickly: when a weather warning is issued, the Met Office recommends staying up to date with the weather forecast in your area.
